

I was hired with SCDSB in 2010 when FDK was first introduced. I am very fortunate to work at Sunnybrae where I have been since the beginning. There were many challenges in the first few years of FDK and I am proud of our local for making positive changes that have greatly impacted DECE's. Our local has always been knowledgeable and supportive and I am grateful to now be a part of it. I have been on the PL/Social committee since December 2016 and I enjoy planning workshops and events for fellow DECEs.

I am always open to trying new things and going on new adventures whether it be at school with students and colleagues or in my personal life with family and friends.

I enjoy sharing my knowledge and experiences with others. Knowledge is power and information is liberating. I would describe myself as honest, motivated and compassionate.

I am committed to the belief that all DECE'S have the right to be well informed, supported, and be given opportunities for education and training which is why I know I am best suited, and would like your support in running for local executive officer on the SCDECE executive.

Thank you

Sarah Murray
